Our Story

Many years ago, Tienie Smith owned a farm called Cabriere. When it was time to let the land go, one piece stayed behind. Die Stalle remained. When Tienie farmed this land, it was vineyards as far as the eye could see, but the land had stories already written - tucked away in the attic, they found old Cabriere milk bottles from a time before them. Die Stalle - Once the horse stalls of the farm - remained. And it became something more - still on the very same land & still in the same family - the Smiths from Stalle.

Die Stalle restaurant was established in 2013 and renovated in 2019. This restaurant is now known where people make new memories, friends celebrate love and loss and where we share our passion for food and company with every new and regular guest. You will find Anmareth, Tienie's wife, in the kitchen - cooking up a storm and making sure every plate goes out with love!

The Saloon was established by Bertu, Tienie's son, in 2022. We recommend you visit The Saloon for a Western feel and a drink and see what all the locals are up to!
